JOHN G. BRODT.

The venerable John G. Brodt passed away last evening at 6:30 o'clock at his home in Limestone, after an illness of several months with a complication of diseases, aged 78 years.

The deceased was born in Wurttemberg, Germany, February 12th, 1830, and emigrated to this country with a colony of old time Germans, few of whom are now left, the rest having joined the "Silent Majority."

Mr. Brodt was married nearly 60 years ago in the building now occupied by Traxel's confectionery store, and he and his good wife, who now mourns his loss, have since resided in this community, loved and respected by all who knew them.

He was a Deacon and pillar in the Third Street M. E. Church; a Past Grand of Ringgold Lodge No. 27, I. O. O. F., and a member of Piegah Encampment No. 9.

Besides his widow he leaves eight children—Mrs. George Nolder of Hillsboro, O., Mrs. B. P. McClanahan, Mrs. Anna Schatzmann and Mrs. J. W. Debold of this city, Mrs. Daniel Veith of Fort Thomas, Ky., Mrs. George Bende of Newport, Ky., Messrs. John R. and Henry Brodt of the county.

The funeral will take place Sunday afternoon at 1 o'clock from the Third Street Methodist Church, with services by Rev. F. W. Harrop.

Interment in Maysville Cemetery.

MRS. CHARLES COOPER.

The sympathy of the entire community is extended to the family of Mr. Charles H. Cooper, the beloved wife and mother, Mrs. Emma Cooper, passing away this morning at her home in West Second street.

Mrs. Cooper has been very critically ill for several months, suffering intensely, and death came to her relief at 6 o'clock this morning.

Mrs. Cooper was a very lovely Christian woman, and those with whom she came daily in contact and who learned to love her so dearly will miss her gentle presence and kindly sympathy.

Deceased was formerly Miss Emma Harris of Germantown. Surviving are her husband, one daughter, Miss Natalie, and two sons, Messrs. Marshall and Harris Cooper.

Mrs. Cooper was a member of the Christian Church, as loyal to her religious convictions as to every tie of home and family.

The time for the funeral had not been determined when THE LEDGER went to press.

ORDER SET ASIDE

The Street Railway Company Continues Work in Same Old Place

The restraining order obtained by the City of Maysville from Mason Circuit Court Clerk in regard to the construction of the street railway on North margin of East Second street was up for hearing yesterday in Flemingsburg before Judge Harbeson, on motion of the Railway Company for dissolution of the order.

After a hearing the Court set aside the order on the grounds, among other things, that that the city was not specially jeopardized by the putting in of the track, and that the defendant assumed the risk and burden of the final removal of the track should the Court upon ultimate hearing hold that the order of the City Council would have to be obeyed.

The fact is, the Maysville Street Railway Company had a 50-year contract with the old Maysville and Mt. Carmel Turnpike Company to run along side of the pike from Union street to the present city limits, before said pike and that portion of the city was annexed to Maysville.

It is never too late to do good. We know it's late, but we had the nerve to do it. Never in the history of Maysville has anything like this happened.

A DOCTOR'S ADVICE

For Chronic Coughs and Colds
A Prominent Atlanta Physician Says Nothing Equals Vinol.

"I want people to know that I believe the most valuable cod liver oil preparation, the best body-builder, health-restorer and strength-creator known to medicine today is Vinol.

"I advise Vinol in my practice, and find it has no equal for healing coughs, colds, bronchial trouble and sore lungs.

"I have used Vinol in many cases of indigestion, mal-assimilation, and for patients who have no appetite, were anemic and run-down, with splendid results. I have also found Vinol to be a boon to the aged.

"I believe Vinol to be well worthy of any honest physician's endorsement."—Dr. J. E. Ennis, Atlanta, Ga.

Vinol contains no injurious drugs, but it actually does contain peptonate-of-iron and all of the medicinal, curative elements taken from fresh cod's livers, without a drop of oil to upset the stomach and retard its work.

Those who try it and receive no benefit may have their money returned on demand.

Our Colored Citizens.

Yesterday morning about 5:30 as Matilda A. Fox was sitting by the fire trying to relieve an aching tooth, the sleeve of her outing gown caught fire and for a few minutes she was enveloped in flames. Had it not been for the timely action of her sister and brother she would have been severely burned, but as it was she was only badly frightened.

ANTI-TRUST COMBINE

Fifty Leading Independent Tobacco Companies Meet Today in Cincinnati

One of the epoch-making incidents of the tobacco business of the world is scheduled to take place in Cincinnati, commencing today, when about fifty of the leading independent manufacturers of the country or their accredited representatives will meet to arrange the details of the distribution of the Barley tobacco supply.

The general idea is, however, that a stronger organization will be formed, as the independent tobacco manufacturer realizes his chances of getting any tobacco in the future are slim unless he has a powerful organization to back him.

It was learned today that the reason the independents have no stronger organization is because they do not know whom to trust. Since the meeting at Winchester they have a better line on these people, and it is believed they can safely go ahead and form an organization that will cope with the Trust.

DAM NO. 18

In Ohio River Near Gallipolis Finished, Adding 20 Miles of All-Year Navigation

GALLIPOLIS, O., December 3d.—Dam 18, just above Neil's Island, costing over \$1,000,000, was completed today, but owing to prospects of ice, which appeared in the river this morning, and lack of appropriation, Government officials refused to raise the wickets, which would make a pool navigable for 20 miles. This is the first dam to be completed below No. 6 in the Pittsburgh district.

The Sense of a Shoe
FOR MEN WHO CARE TO DRESS WELL

The old woman who lived in a shoe had her troubles. The men who live during their working hours in Barry Shoes have no troubles—so far as their feet are concerned.

We are recommending Barry Shoes to our customers because they represent a wide variety of the very latest styles, made up by Union labor of materials which are not excelled by those used in any shoe we know of.

That is enough for us and that will be enough for you, if you will give the shoes a chance. Give them a chance right now.

KICKERS' CORNER

"If any one at any time for any reason has any cause to 'kick' in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your 'kicks' too long—it's the short, quick fellows that count—and cut."

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

A correspondent "wants to know" if the feminine of "caterer" is not "cateress"? It may be a term just as good. However, in using the word "Preacher," would the feminine be "Preacheress"?

We think not. These syntactical questions largely left to the "prose lice" of the or, except when you meet with a case as a person thinks he knows grammar from r to liver. As to the affix, D D, or of Divinity, the title is always used the person has been given the Degree regularly. In the case referred to here, the term "Dr." was corrected as "Mr." because it looked like it was written "Mr."—EDITOR

**THE OHIO SYSTEM
Of State Auditing May Be Copied
By Kentucky Officials.**

State Inspector M. H. Thatcher is studying the systems of accounting in Ohio, New York, Illinois, Arizona, Wyoming and Oklahoma, with a view of recommending to Governor Willson a new system of accounting for Kentucky. In the meantime, he has suggested to the Governor that Treasurer Farley send out all State checks.

The system to be recommended will be, as far as is practicable in Kentucky, one that will not only cover the State accounts, but also those of every county and municipality in the State.

Examiner Thatcher is continuing the examination of vouchers of the Auditor's office during the term of Auditor Hager and the time that Judge Boos was a Clerk in the office.

NATURE TELLS YOU.
As Many a Maysville Reader Knows
Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills.

John G. Morris, Jail Keeper, living on Main street, Flemingsburg, Ky., says:

"I can recommend Doan's Kidney Pills as being all that is claimed for them. Several months ago I was suffering severely from kidney disorders, and although I tried many remedies, I was unable to obtain relief. My kidneys were very weak and irregular in action, causing me much inconvenience and annoyance. I lost a great deal of sleep on this account. Finally Doan's Kidney Pills were recommended to me. I procured a box at J. Jas. Wood & Son's Drugstore and began using them. I was surprised at the quick results, as the trouble entirely disappeared and I have had no return of any of the symptoms since. I cannot speak too highly of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
